

# Indian Olympian Chopra feted at MES

**I**ndian javelin throw sensation, Olympian Neeraj Chopra, was honoured at MES Indian School. He was in Doha for the IAAF Diamond League. The school's management, staff and students welcomed the champion. He was escorted by the school band, scout and guides and Campus Care Force (CCF) volunteers. Chopra addressed the students, sharing his success story, the challenges that he faced, and the hard work he exerted to achieve glory. He urged the students to pursue their passions and

never give up on their dreams. He also emphasised the importance of discipline, dedication, and determination in pursuit of success. MES governing board's sports and

games director Badarudheen Gulam Mohiyudheen, principal Dr Hameeda Kadar, and other officials were present. This segment was followed by a kids' relay race flagged off by Chopra amidst jubilation. The participants of the race were honoured with certificates issued by the Athletic Federation of Qatar. Chopra also planted a sapling on the school campus with the aid of CCF members. The students presented him with handmade cards and bouquets. The Physical Education Department co-ordinated the event.

# Top honours for MES in CBSE Cluster Volleyball

**T**he boys' and girls' volleyball teams of MES Indian School emerged as the overall champions at the CBSE Qatar Cluster Volleyball Championship, bagging multiple titles across various categories of the tournament. In the boys' division, MES emerged as the overall champions for the 13th consecutive year. The boys' teams won gold in Under-14 and Under-17, and a bronze in Under-19 category. Bagging overall championship, the girls' division of MES won bronze in the Under-14 category, and gold in the Under-17 and 19 categories. The winning teams will participate in the national tournament in India. The teams were trained and guided by coaches Salim J Nadaf, Shani GR, and Nazam S Nadaf. The school management and principal expressed immense pride and con-

## MES, Mesis team attends VoIMUN

A team of 37 senior students from MES Indian School and Mesis attended the VoIMUN Conference at Lusail University, organised by Lycee Franco-Qatarien Voltaire in Doha. The conference organiser, in their felicitation note, mentioned special recognition for the noteworthy participation of MES Schools with six delegations. Hridul Srinivasan was awarded with honourable mention. Principal Dr Hameeda Kadar appreciated the overwhelming interest among students in MUN activities. Mammathan Mambally, MES Off-Campus, and Vishnu Jayaprakash accompanied the students.

## Workshop on 'art for stress relief'

The ICAI Doha Chapter conducted a workshop titled 'Stress Relief Through Art'. Led by Neetha Jolly, the session provided financial professionals and their families with a creative outlet to relax, reconnect, and de-stress. The event was well received, with 70 participants, including children, actively engaging in guided painting activities.
